

**North Collier Fire Control and Rescue District  
Authority Having Jurisdiction (AHJ) Guidelines for Successful Review or Inspection**

<b>Article Number</b>	61G 16-01
<b>Effective Date</b>	February 29, 2016
<b>Subject</b>	61G15 Documents and Associated Building Permits
<b>Objective</b>	Clarify Rejections and Fees

**BACKGROUND**

At times, there can be confusion regarding the procedure of acceptance/rejection of 61G15 documents and their associated building permits.

**POLICY/PROCEDURE**

As 61G15 documents are tied to their respective building permit, a rejection of these documents shall constitute a rejection of the building permit. Fire Review and subsequent fees apply.

Reasonable attempts by the Plans Reviewer to have minor issues corrected by initiating contact with the Engineer of Record will be done.

A timely response from the Engineer of Record producing the necessary information allows for acceptance of the 61G15 documents.
