AGENDA ITEM 3

Meeting Date: September 26, 2024
Prepared by: Chief Financial Officer Ben Van Klingerren
Subject: Discussion of Rolled Back Rate Necessary to Fund Budget and Purpose for Which Ad Valorem Revenue May be Increased

Objective

Satisfy the Florida Department of Revenue requirement to discuss the rolled back rate and the reasons ad valorem tax revenues are increasing as the first item of business at the Tentative Budget Hearing for budget for fiscal year ending September 30, 2025 in compliance with Section 200.065(2)(e)1 F.S.

Background Information

Pursuant to the Florida Department of Revenue Property Tax Oversight and Truth in Millage (“TRIM”) requirements, the first item discussed by a taxing authority at both the Tentative Budget Hearing and the Final Budget Hearing is the rolled back rate and the reasons ad valorem tax revenues are increasing.

The roll back rate is defined as the rate at which the current tax base would produce the same taxes levied as the previous year, excluding current year new taxable value.

The General Fund Budget presented for Board approval at the Final Hearing reflects the current millage rate per Board direction:

Current millage rates of 1.0000 in the North Naples Service Delivery Area and 3.5870 in the Big Corkscrew SDA.

The current year rolled-back rate for the North Naples SDA is 0.9337 (see Attachment 1 – Certification of Taxable Value – North Naples - Form DR-420, line 16). The proposed millage rate of 1.0000 as a percent change of the rolled back rate is 7.10% (line 27).

The current year rolled-back rate for the Big Corkscrew SDA is 3.5870 (see Attachment 2 – Certification of Taxable Value – Big Corkscrew - Form DR-420, line 16). The proposed millage rate of 3.5870 is the current and aforementioned rolled back rate. Therefore, the percent change of the rolled back rate is 0.00% (line 27). (If the current year’s millage rate of 3.7500 was proposed, the percent change of the rolled back rate would have been 4.54%).

Ad valorem revenues are increasing because the taxable property value in each service delivery area increased more than the increase in the proposed millage rate over the rolled-back rate. The increase in ad valorem taxes is needed to fund the operation of the District, including various capital projects.

AGENDA ITEM 4

Meeting Date: September 26, 2024
Prepared by: Chief Financial Officer Ben Van Klingeren
Subject: Review of Final General Fund, Impact Fee Fund and Inspection Fee Fund Budgets for the Fiscal Year Ending September 30, 2025

Objective

Review the 2024-2025 Final General Fund, Impact Fee Fund and Inspection Fee Fund Budgets so the final millage rates and impact fee rates can be adopted, and the final budgets can be adopted in accordance with statutory requirements.

Background Information

On July 25, 2024, the first (and only) budget workshop for the 2024-2025 fiscal year was held. These budgets already included reviews, justifications, and modifications (totaling \$0 as modifications were made prior to submission to finance) in the General Fund. This summary was included as an attachment at Workshop #1.

General Fund Budget

At Workshop #1, the Board of Fire Commissioners and management discussed proposed millage rates, revenue increases, capital outlay details, among other line item details. Subsequently, the Board gave management direction to decrease the millage rate within the Big Corkscrew Service Delivery Area from the proposed 3.7500 mils down to the proposed rolled back rate (of 3.5870 mils). No additional revisions to expense line items nor revenue line items were directed to staff. On September 12, 2024, the Tentative Budget Hearing was held. Per Board direction, no revisions have been made to the General Fund Budget (both service delivery areas).

Impact Fee Fund Budget

Per Board direction, no revisions have been made to the Impact Fee Fund Budget presented at the July 25th budget workshop. On September 12, 2024, the Tentative Budget Hearing was held. Per Board direction, no revisions have been made to the Impact Fee Fund Budget.

Inspection/Plan Review Fund Budget

Per Board direction, no revisions have been made to the Inspection/Plan Review Fee Fund Budget presented at the July 25th budget workshop. On September 12, 2024, the Tentative Budget Hearing was held. Per Board direction, no revisions have been made to the Inspection/Plan Review Fee Fund Budget.

Considerations

General Fund Budget:

Cost Allocation

- One percentage is applied to all general fund costs (that is, all general fund costs are considered indirect). For the 2024-2025 year, those percentages are:
 - **North Naples Service Delivery Area – 78.00% (23-24 percentage is 77.00%)**
 - **Big Corkscrew Service Delivery Area – 22.00% (23-24 percentage is 23.00%)**
- The percentage used is based on the average of the following data points:
 - Calls originating between the two service delivery areas
 - 2,709 (10.87%) BCSDA // 22,210 (89.13%) NNSDA
 - Taxable property value between the two service delivery areas
 - \$3,921,690,993 (6.97%) BCSDA // \$52,319,950,716 (93.03%) NNSDA
 - Current Year Ad Valorem Taxes (rec'd as of 6/30/2024)
 - \$12,567,439 (21.43%) BCSDA // \$46,073,504 (78.57%) NNSDA
 - Population (based on 2015 Tindale-Oliver Impact Fee Study)
 - 29,296 (20%) BCSDA // 120,183 (80%) NNSDA
 - Growth in BCSDA region – assumption that growth (permits, etc.) is driving cost and manpower (new parameter in calculation and is a management estimate)
 - (52%) BCSDA // (48%) NNSDA
 - Calculation for 2022-2023 percentage:

Revenue:

The Final Budget reflects the following revisions to the Tentative budget (presented at the September 12th Tentative Budget hearing):

1. (no changes to the budgeted general fund revenue)

Total income budgeted for the 2024-2025 General Fund is \$66,361,014 and reflects an increase of \$5,567,531 (9.16%) as compared to 2023-2024 total amended budgeted income. The net increase is primarily attributed to ad valorem revenue which is increased due to property value increases while at the capped millage rate (1.000 - NNSDA) and the rolled back rate (3.5870 - BCSDA). It also includes a new budgeted revenue line item – “Rescue Transport Revenue” totaling \$1,000,000 associated with rescue transport fees to be implemented sometime in the 2024-2025 budget year.

Expenses:

The Final Budget reflects the following revisions to Tentative budget (presented at the September 12th Tentative Budget hearing):

1. (no changes to the budgeted general fund expenses)

North Collier Fire Control and Rescue District
Board of Fire Commissioners
FINAL BUDGET HEARING
AGENDA ITEM 4

Total budgeted expenses are \$68,686,952, which reflect an increase of \$6,060,764 or 9.68% as compared to 2023-2024 total amended budgeted expenses. These increases include \$3.95 million in increased operating costs, a DECREASE in debt service totaling (\$42k), and an increase of \$2.15 million in total capital outlay expenses.

Ending cash reserves at 9-30-25 total \$29,234,709 and reflect a decrease or reduction of reserves totaling (\$2,325,938).

Impact Fee Fund Budget:

Per Board direction, no changes were made to the original FY 24/25 Impact Fee Fund Budget.

Impact fee revenue for the district is based on current year receipts and known projects planned within the District. Budgeted revenue is \$1,000,000 (or 157% higher) than the amended 23-24 budget due to the anticipated increases in recognized impact fee revenue and in interest income. Impact fees collected (deferred) are \$786,000 LESS than the amended 23-24 budget. Overall impact fee collections are (\$175,000) less in 24-25 vs the amended 23-24 budget. Impact fee expenses are 28,604% more than the 23-24 budget due to \$4,000,000 in CIP costs applicable to anticipated station construction costs new in the next budget year. However, collection fees are expected to remain consistent with the current budget year.

At 9-30-2025, Impact Fee deferred revenue (cash reserves) totals \$6,664,354.

Inspection/Plan Review Fund Budget:

The Board did not request any changes to the original FY 24/25 Inspection/Plan Review Budget. Inspection fee revenue for the district is based on current year receipts and known projects planned within the District. Note that budgeted revenue is 10.03% more than the current year amended budget and budgeted expenses are 9.15% more than the current year amended budget.

At 9-30-2025, inspection fee fund cash reserves are estimated at \$1,599,222.

A RESOLUTION OF THE NORTH COLLIER FIRE CONTROL AND RESCUE DISTRICT OF COLLIER COUNTY, FLORIDA, IMPOSING IMPACT FEE RATES FOR THE NORTH COLLIER FIRE CONTROL AND RESCUE DISTRICT FOR FISCAL YEAR 2024-2025; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, impact fees are a funding mechanism that a local government may utilize to pay for public improvements that are necessary to serve new growth; and

WHEREAS, impact fees must satisfy a dual rational nexus test to be constitutional; and

WHEREAS, the dual rational nexus test requires a local government to show a reasonable nexus between the local government's need for additional capital facilities and the new construction and that a special benefit is conferred upon the fee payers; and

WHEREAS, Subsection 8 of section 6 of the North Collier Fire Control and Rescue District's Charter within section 3 of chapter 2015-191, Laws of Florida, authorizes the North Collier Fire Control and Rescue District to assess impact fees for capital improvements on new construction within its boundaries; and

WHEREAS, the impact fee rates were based upon the most recent and localized data, as evidenced by the Impact Fee Indexing Study Final Report dated August 24, 2020, and are not being increased in the 2024-2025 fiscal year; and

WHEREAS, the accounting of the impact fee revenues and expenditures are provided for and reported in a separate and segregated special revenue fund entitled Impact Fee Fund; and

WHEREAS, Collier County collects the impact fees for the North Collier Fire Control and Rescue District and charges an administrative fee to cover Collier County's actual costs of such collection, pursuant to interlocal agreements dated September 25, 1990 and December 13, 2005; and

WHEREAS, to promote efficiency with Collier County in its collection of the North Collier Fire Control and Rescue District’s impact fees, this resolution includes impact fee land use categories that are consistent with Collier County’s impact fee land use categories as well other collection procedures; and

NOW, THEREFORE, BE IT RESOLVED by the BOARD OF FIRE COMMISSIONERS OF THE NORTH COLLIER FIRE CONTROL AND RESCUE DISTRICT of Collier County Florida, that:

Land Use	Unit	Total Impact Fee
Residential	sf	\$0.17
Non-Residential	sf	\$1.06

Section 5. In the event a development is a mixed use development, the impact fee shall be calculated based upon each separate impact fee land use category included in the proposed mixed use development as set forth in Section 4.

Section 6. In the event a development involves a land use not contemplated under the impact fee land use categories set forth in Section 4, the impact fee shall be calculated using the appropriate impact fees methodologies contained in the North Collier Fire Control & Rescue District Fire Impact Fee Update Study Final Report dated August 24, 2020. The impact fee rate calculation shall be determined by using variables

applicable to the most similar land use categories in the applicable impact fee rate schedules.

- (3) The date when a final development order, final development permit or other final authorization is issued authorizing construction of a parking facility for any portion of the development; or
- (4) The date when a final development order, final development permit or other final approval is issued for any part of the development in instances where no further building permit is required for that part of the development; or
- (5) The date when any part of the development opens for business or goes into use.

Section 8.
